

2021 Christmas on the Square Sponsorship Opportunities

The Burnet Chamber of Commerce cordially invites you to become a sponsor of The Christmas on the Square festival to be held December 11, 2021. We are especially excited to announce that, in addition to a parade, Arts & Crafts vendors, holiday entertainment & a visit from Santa, we will again have 'Snow on the Square' that includes a snow slide and 2 snow play areas, compliments of Burnet County and the City of Burnet!

It is because of our supportive friends that the festival has become a holiday tradition where families return year after year to celebrate the Christmas season. Of course, one of the highlights of the day is the **Bicycle Giveaway** following the evening parade, and we need your help to give away as many bicycles to deserving children as possible.

Christmas on the Square festival contributions will qualify as a charitable contribution and receive full income tax credits.

As you will see, there are sponsorship levels to fit any budget. We're asking businesses, organizations and families to help make this year's Christmas on the Square better than ever this holiday season!

Sponsorship options include the following:

North Pole Sponsorship
